

Permission to view *Holden On*

Dear Parents/Guardians,

Mental Health America of Central Carolinas will be screening *Holden On*, a film that has received a rating of "R." Due to the rating, parental consent must be given in order for minors to view the film. *Holden On* is based on the true story of Holden Layfield, a teenager in the 90's, who struggled with schizophrenia and drug dependency. The film chronicles his battle with mental health with the objective of offering hope to those who are struggling with mental health, as well as friends and family of those who are struggling. The film received an R rating from the MPAA for "some drug use."

Please feel free to reach out to us with any questions or concerns as it relates to the content and showing of *Holden On*.

Sincerely,

Kathy H. Rogers
MHA Executive Director
